

Graduate Women in Science and Engineering (WISE FORUM)

Please join us for a weekly support group for graduate women in the sciences or engineering fields where women are underrepresented. Our goal is to foster a sense of community and support toward the attainment of goals, and to encourage self-empowerment to increase and develop a vision for one's personal and professional life.

We meet Wednesdays from 1:00-2:00 p.m.
at CAPS Central Office: 190 Galbraith Hall. This
group is by referral only and not a drop-in.
