   a. WCSAB 2016-2017
      i. Returning next year, one of the positions is currently open.
      ii. Application is out for WCSAB rep for Sixth College.
      iii. ERC & Muir College rep position is open in fall but both terms out in the fall quarter.
      iv. Warren’s position stays open until the position is filled.
   b. HPS- Sexual Health Messaging: Testing, Testing, 1, 2, 3
      i. Last 2 messages wanting to run by folks and see if the message is clear.
      ii. The message is a print poster campaign and also social media
      iii. WCSAB member asked if some info can be included on how generally tested what STI testing generally entails
      iv. Purpose of campaign is for educating students about talking to your health care provider and requesting certain type of testing for the type of sex you are having.
      v. Another poster, that talks about the importance for women in particular to be tested and the risk. Any comments?
      vi. WCSAB member mentioned finding and alternate word for “women” since it is less inclusive of people who identify as Trans.

IV. Unfinished Business

V. New Business
   a. Sub-Committee Updates
      i. Student Health Insurance Plan (SHIP)
         1. UCSD renewed for next year. We will be in SHIP again next year.
         2. Overall, the plan did pretty well this year
         3. Vision will be mandatory; by making it mandatory we may be a little less.
         4. Last academic year included one year of vision vision, which cost about $60 for undergrads.
         5. NEED one volunteer to be on the pharmacy formulary committee for UC SHIP, with students, doctors, medical director etc.
6. Committee meets once a quarter, and can call in. If interested please email Andrew. Next meeting is in June. For sure have one next year.

b. Department Updates
c. Student Representative Updates
   i. Active Minds
      1. Active minds conducted brief survey with 4 separate categories on mental health. 90 responses.
      2. Any info can be found on The Triton or ask Active Minds for the information.
      3. Sarah, assessment in 3 categories, access, quality, and diversity. UCSD actually has quality care according UCSA findings on mental health, considering UCSD did receive a C+.
   
   ii. SHA Kick Butts
      4. 40 volunteers! The most they have had in a while.
      5. 10,000 butts
      6. Behind PC is the worst area, signs and have been put up
      7. Karen on system-wide, focus group is talking about how every campus has trouble with Butt litter, however has been less every year. There are many hotspots on campus where the litter is. UCSD experience very similar to other UCs.
   
      8. Police officers can write tickets for littering when cigarette butts are thrown on ground.
      9. Public health perspective, policies that can’t be enforced are not effective.
     10. Austin mentioned on signage about putting a reason on why you should not smoke. “Fire hazard” etc.
     11. The hotspot area on smoking should be available to the public on the Student Health website.

   iii. ERC Rep (SHA’s coming out for event at ERC)
   iv. SHA: SHAs are researching different places to nap on campus and will post their findings on the SHA tumblr and will be organized by location. The

   v. Karen announcements, Student Health, VC health science bring attention to provide students with better well-being opportunities. Good partnership with campus and health sciences.
