<b>Urgent Care Fee</b>	A \$20 fee will be charged for all students utilizing urgent care
<b>UC Students registered Spring 2019 <u>with</u> UC SHIP or RAFT</b>	No additional fees are required for appointments
<b>Students <u>without</u> UC SHIP or RAFT</b> (includes graduated and continuing students registered Spring 2019, incoming fall students, and other UC students without SHIP)	Fee-for-service applies. Rates vary depending on length and complexity of problem; additional fees for lab and x-ray. See Summer Price list
<b>Other UC Students <u>with</u> UC SHIP</b>	No additional fees are required for appointments

Charges are billed directly to the student's bursar account unless the student chooses to pay by credit card at the time of visit.

**SHS and CAPS are changing our Electronic Medical Record system to EPIC on 8/19/2019. This transition will impact the availability of appointments and services for a few weeks after the transition. We plan to be back up to full services by the beginning of Fall Quarter. Thank you for your patience.**
